

Scarecrow (Remastered)

Pink Floyd

The black and green scarecrow as everyone knows
Stood with a bird on his hat and straw everywhere
He didn't care
He stood in a field where barley grows His head did no thinking
His arms didn't move except when the wind cut up
Rough and mice ran around on the ground
He stood in a field where barley grows The black and green scarecrow is sadder than me
But now he's resigned to his fate
'Cause life's not unkind, he doesn't mind
He stood in a field where barley grows
