

Chance For a Miracle

Jason Crabb

Verse 1:I still walk the street at night

Searching for reasons why

But this has become my life

With every tear I cry, with every tear I cryChorus:And then I'm heart heavy

Halfway through the midnight hour

Waiting for the sun to rise

Still hoping still praying

There's an answer waiting on the other side

It might look to difficult

It might look impossible

But ohhhh God let it be

A chance for a miracleVerse 2:There's so much I don't know

Oh Father hold me close

Don't ever let me go

Cause you're my only hope

Yes, you're my only hopeChorus:When I'm heart heavy

Halfway through the midnight hour

Waiting for the sun to rise

Still hoping still praying

There's an answer waiting on the other side

It might look to difficult

It might look impossible

But ohhhh God let it be

A chance for a miracle

A chance for a miracleBridge:Would you open my eyes to see

Believe

A chance for a miracleChorus:When I'm heart heavy

Halfway through the midnight hour

Waiting for the sun to rise

Still hoping still praying

There's an answer waiting on the other side

It might look to difficult

It might look impossible

But ohhhh God let it be YEAHWhen I'm heart heavy

Halfway through the midnight hour

Waiting for the sun to rise

Still hoping still praying

There's an answer waiting on the other side

It might look to difficult

It might look impossible
But ohhhh God let it be
A chance for a miracle
A chance for a miracle
A chance for a miracle
