Self Control

Infernal

Oh, the night is my world
City light painted pearls
In the day nothing matters
It's the night time that flatters
In the night, no control

Through the wall something's breaking Wearing white as you're walkin'

Down the street of my soulYou take my self, you take my self control

You got me livin' only for the night

Before the morning comes, the story's told

You take my self, you take my self controlAnother night, another day goes by

I never stop myself to wonder why

You help me to forget to play my role

You take my self, you take my self controll, I live among the creatures of the night I haven't got the will to try and fight

Against a new tomorrow, so I guess I'll just believe it

That tomorrow never comesA safe night, I'm living in the forest of my dream

I know the night is not as it would seem

I must believe in something, so I'll make myself believe it That this night will never goOh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-ohOh, the night is my world

City light painted pearls

In the day nothing matters

It's the night time that flattersI, I live among the creatures of the night
I haven't got the will to try and fight

Against a new tomorrow, so I guess I'll just believe it

That tomorrow never knowsA safe night, I'm living in the forest of a dream

I know the night is not as it would seem

I must believe in something, so I'll make myself believe it

That this night will never goOh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control ... [fade out]
