## Earthquake

## **Family Force 5**

Get down

(Shake like an Earthquake)

I saw shawty dancin' on the floor

I'm kinda' nervous to approach her though

She's so stylish like a supermodel

Should I meet her, yes I think you oughta The needle dropped

My track was hot

We began to rock

Our eyes were lockedI love your song

Yeah girl, sing along

She said, DJ's make my heartache

I said, Baby watch the place

Shake like an EarthquakeDrop that 808

The wall's begin to shake

It's to much for the club to take

(It's shakin' like an Earthquake)Devastation from the sounds I'm makin'

And there's no escaping from the bass

(It's shakin' like an Earthquake)Ten point O, on the Richter scale

It's shakin' like an Earthquake, move your tail'Bout that time my people all were quakin'

Another Ten point O, was in the makin'Like a natural disaster

Run for the pasture

'Cause the bass will flow

Take you out like El NinoIt's rumbling, crumbling, all the way down

It's tumbling, fumbling, you love that sound

(Can you turn up the bass?)

Sorry girl, I can't hear in this place

(I have a request that I'd like to make)

Well, what you wanna hear girl?

Shake like an Earthquake? Drop that 808

The wall's begin to shake

It's to much for the club to take

(It's shakin' like an Earthquake)Devastation from the sounds I'm makin'

And there's no escaping from the bass

(It's shakin' like an Earthquake)Ten point O, on the Richter scale

It's shakin' like an Earthquake, move your tailYo, it's not loud enough

Pump up the track

(Ready?, Okay)Boom, boom, you broke it down

You broke it down, now build it up

Build it up, build it upBoom boom, you broke it down

You broke it down, now shake it up
Shake it up, shake it upBoom boom, you broke it down
You broke it down, now break it up
Break it up, break it up, oohDrop that 808
The wall's begin to shake
It's to much for the club to take
(It's shakin' like an Earthquake)Devastation from the sounds I'm makin'
And there's no escaping from the bass
(It's shakin' like an Earthquake)Ten point O, on the Richter scale
It's shakin' like an Earthquake, move your tailShake it on down, shake it on down
Shake it on down, move yourself
When you hear that sound
