Neon Hitch

We've Been Here Before, I'm Done Losin' Hope Of All The Bad Boys, You're Badder Then Most And I Couldn't See All Your Flaws Below Your Charm And You Cannot See All My Scars, Your Love Has Caused See I Will Get Over Yooouuu You're Not The Man I Once Kneeewww You've Taken The Best Of Me Left Me With Nothing New See I Will Get Over Yooouuu I'm Takin' That Chance, And I'm Breakin' Free You've Hid Me Away, Now I Can't Find Me And I Couldn't See All Your Flaws Below Your Charm And You Cannot See All My Scars, Your Love Has Caused See I Will Get Over Yooouuu You're Not The Man I Once Kneeewww You've Taken The Best Of Me Left Me With Nothing New See I Will Get Over Yooouuu I Cut, These Ties, We Say, Goodbyes To Love, You Not, Would Be, A Lie Now Go, And Find, Ano-Ther Mind To Stain, The Way, That You Did To Mine See I Will Get Over Yooouuu You're Not The Man I Once Kneeewww You've Taken The Best Of Me Left Me With Nothing New See I Will Get Over Yooouuu
