

# Gone For Good

## Everlast

I was foolish cause I loved her so  
Never put no one else above her no  
She put it on me like no other did before  
Now she telling me that she wants to go

She said she got dreams and she want back flights  
She said that she can act and she wants to sign  
Wants to build herself a rep make herself a name  
I tell you girl game recognizes game

And I'll be good when you're gone for ever  
And I'll be fine when you're gone for good  
And I'll be good when you're gone for ever  
And I'll be fine when you're gone for good  
For good  
Gone for good

You say you wanna be loved but wouldn't teach me how  
Girl I don't even know how to reach you now  
You say you wanna love but wouldn't speak no vow  
Girl you ain't the one that can break me down

Take all of my love and the you spread it around  
Girl I don't even know how to greet you now  
I hope maybe you choke I hope maybe you drown  
I said "Hey Joe, I heard you shot your lady down"

And I'll be good when you're gone for ever  
And I'll be fine when you're gone for good  
And I'll be good when you're gone for ever  
And I'll be fine when you're gone for good  
For good  
Gone for good

Gone for good  
Gone for good

---
