Yo Tengo

Silage

Yo tengo una amiga
Who's jazz is super steriophonic
Let it crecendo
A million ears are all bionic
Silver enticing
Elastic stretching everlasting
Moonlight the icing
I've never seen so much white frostingJazz super sterio, sterio
Jazz super steriophonic
That's how you make me feel
That's how you make me feelPalm trees and freeways
The paint is dripping everywhere
And Montecito driveways
Highlight your auburn hair
And Wednesday is wishing
For Saturday to come
Darling, oh darling
Let's moonwalk on the sun
