

# Walkaway

## Dangfly!

You don't see it coming, it was here all along.  
A fight over something, and you knew you were wrong.  
You're trying so hard to fight it, because we were meant to be.  
And somehow, you know, you still hide it  
Walkaway, don't walkaway

I'm not forever dear, hold on tomorrow dear.  
I'm not forever dear, walkaway, don't walkaway.

I thought we could make it, you're worth fighting for.  
I'll give you all I have, you deserve so much more.  
I know we said we're trying to fix all these leaks;  
but I can't stand to see you here crying  
Walkaway, don't walkaway.

I'm not forever dear, hold on tomorrow dear.  
I'm not forever dear, walkaway, don't walkaway.

I'm not forever dear, hold on tomorrow dear.  
I'm not forever dear, walkaway, don't walkaway.
