If You Love Me Let Me Go

[Colbie Caillat](#)

Waiting here for my phone to ring, phone to ring
Wondering are you ever coming back to me again
Counting every drop of rain, drop of rain, falling
Falling down into the holy dark for me
And you bury me
'Cause you cut so deep
But I'm still within your reachOh, oh
If you really love me, you would let me go
I'm tired of always sleeping with your ghost
Chasing away the things I need the most
If you really love me
You would let me go
If you love me let me goEvery time you come back again, back again
The healing ends
I push all of my rules aside for you
You should see the way authorized,
Authorized fine for me
To get me everything that you never do
Still it takes at me
'Cause you cut so deep
But I'm still within your reachOh, oh
If you really love me
You would let me go
I'm tired of always sleeping with your ghost
Chasing away the things I need the most
If you really love me
You would let me go
If you love me let me goAll I need, all I need
Wants to be with you
But you let me bleed, let me bleed
All I need, all I need
Wants to be with you
But you let me bleed, let me bleedOh, oh
If you really love me
You would let me go
I'm tired of always sleeping with your ghost
Chasing away the things I need the most
If you really love me
You would let me go

If you love me let me go
If you love me let me goIf you love me let me go
If you love me let me go
