

Baby! It's Christmas

Jessie James Decker

It's that time again where we all get to be together again
The snow is falling in this frightful weather
And I can't wait to see all the lights on the tree and Baby! It's Christmas, say yeah
Baby! It's Christmas, say yeah It's pumpkin pie, it's glistening outside
Family and cheers, so happy you're here 'Cause it's Christmas, say yeah
Baby, it's Christmas, yeah, yeah, yeah In a cozy sweater singing songs by the fire
Hear the sleigh bells ringing and sipping on apple cider
Presents under the tree, stealing kisses from me 'Cause it's Christmas, say yeah
Baby, it's Christmas, say yeah It's pumpkin pie, it's glistening outside
Family and cheers, so happy you're here 'Cause it's Christmas, say yeah Kiss me under the mistletoe
I'll be your angel laying in the snow Kiss me under the mistletoe
I'll be your angel laying in the snow Oh yeah
Baby, it's Christmas, say yeah It's pumpkin pie, it's glistening outside
Family and cheers, so happy you're here 'Cause it's Christmas, say yeah
Baby, it's Christmas, say yeah Baby, it's Christmas, oh yeah
Baby, baby, it's Christmas, say yeah
