

said sadly (duet by nina gordon and james iha)

Veruca Salt

You should know that I love you
I can't help but fall for you
Oh honey I'm just a fool
Now you know
Darling, I'll never be true
You see, for so long I was blue
I'm not the lonley one
And if I hurt, then you would too
Oh honey I always lose
Now you know
Lover, when will you
I'm afraid no one will
Lover, can't find you
I swear to God don't leave me here
Now you know
Only you know it can't be
When no one else really means
Anything to me
If you hurt inside
If you confide in me again
Since you ran away
Hold me now, tell me how
Nothing's lost
Lover, when will you
I'm so afraid no one will
Lover can't find you
And no one knows what brings us here
Lover
Hold me now
Hold me now
Tell me how
Nothing's lost
