## Mourn

Check my sins Mr Devil  
Youre my virtue butch my neck  
In a softer way Deliver me from heaven  
Do it it wont hurt  
Deliver me from heaven  
Now come on no one will save you Its my duty miss your door miss my neck  
Whats my chance  
Life thats not worth living Deliver me from heaven  
Do it it wont hurt  
Deliver me from heaven  
Now come on it wont save you  
Its my door miss your door miss my gut  
Punch my knees  
Ill let it die here
