

# HelluvaLife (feat. Gucci Mane & OJ Da Juiceman)

## Gorilla Zoe

I'm livin' one helluvalife  
Crazy colored karats, baby, cover your eyes  
Front headlights and I'm smokin' alaf  
One of those nights in my helluvalifeI brought a lot of ice so I shine like a star  
You see me from afar, girl, you know who I'm are  
A ghetto superstar in a helluva car  
A ghetto superstar, it's a helluvalifeRosay naw beer, toast  
Baby, say cheers, major ice make ya go burr  
Cake so big it's like, yeah  
Swag so stupid, I'ma real time heirA buncha street niggas gettin off no legal  
See me on front street but now I'm on cable, able  
And it's human nature to hata playa gettin' papa  
Money like skyscrapa  
It's GucciI'm livin' one helluvalife  
Crazy colored karats, baby, cover your eyes  
Front headlights and I'm smokin' alaf  
One of those nights in my helluvalifeI brought a lot of ice so I shine like a star  
You see me from afar, girl, you know who I'm are  
A ghetto superstar in a helluva car  
I'm a ghetto superstar, it's a helluvalifeWent to sleep in Michigan, woke up in Miami  
(Where?)  
South Beach sleep with a bitch in my pajamas  
On the most expensive liquor front the most expensive fos  
Smoke the most expensive dro, rock the most expensive clothesCars that we ride ain't out this year  
I got diamonds on my pinky, on my wrist and on my ear  
Baby, I'm a chandelier, standin' at the bar  
Like an ice cold beer, we outta here  
It's been a helluva nightI'm livin' one helluvalife  
Crazy colored karats, baby, cover your eyes  
Front headlights and I'm smokin' alaf  
One of those nights in my helluvalifeI brought a lot of ice so I shine like a star  
You see me from afar, girl, you know who I'm are  
A ghetto superstar in a helluva car  
A ghetto superstar, it's a helluvalifeMichael Jackson diamonds, VVS colors  
Pull up to the club in a '08 Mustard  
Bustin' fifty bricks, dog use a little muscle  
Young juice man, goddamn I'm a hustlaGhetto superstar and ma money's super double  
Prada shoe walkin, the rap game in trouble  
Six go cookin', solda juice bunky

Young juice man, smokin' pounds of that funky I'm livin' one helluvalife  
Crazy colored karats, baby, cover your eyes  
Front headlights and I'm smokin' alaf  
One of those nights in my helluvalife I brought a lot of ice so I shine like a star  
You see me from afar, girl, you know who I'm are  
A ghetto superstar in a helluva car  
A ghetto superstar, it's a helluvalife
