Go Your Own Way

Big Kenny

It's late at night,
I'm all alone,
I see your number on the telephone,
But I don't know what I should do,
If I pick it up,
If I let it ring,
I know it wont change a thing,
Cause either way,
I'm ganna lose
And I don't wanna be the one to leave,
And I don't wanna be the one to fall apart,
And I don't wanna hurt you anymore,
Maybe things have gone to far,
We're not the same, we're losing who we are,
Truth is all that's left to say,
Ya gotta go your own way,
Ya gotta go your own way
I breath it in,
I bleed it out,
I hear the words fall from your mouth,
I see the tears fall from your eyes

It's hard to believe it's come to this,
And if I had just one wish,
I'd never have to say good-bye
No, no, no
And I don't wanna be the one to leave,
And I don't wanna be the one to fall apart,
And I don't wanna hurt you anymore,
No neither one of us have known anything but this,
But we know that love is supposed to fly,
Ohh, loves supposed to fly
And I don't wanna be the one to leave,
And I don't wanna be the one to fall apart,
And I don't wanna hurt you anymore,
Maybe things have gone to far,
We're not the same, we're losing who we are,
Truth is all that's left to say,
Oh, Ya gotta go your own way,

Ya gotta go your own way
Ya gotta go your own way,
Ya gotta go your own way
