

When I Get My Hands On You

The New Basement Tapes

When I set my eyes on you
Gonna keep you out of town at night
When I set my eyes on you
Not gonna be outta my sight[Chorus]
And now you know
Everywhere on earth you go
You're gonna have me as your man
When I get my hands on you
Gonna make you carry me
When I get my hands on you
Gonna make you marry me[Chorus]
When I come home to you
Gonna take you down to the riverside
When I come home to you
Hold you in my arms all night[Chorus]
