Good Girls

John Mellencamp

Good girls don't stay for breakfast
They know it's in poor taste
Good girls won't blow your evening
With small talkin' chit chat just a waste[Chorus:]
I don't want to walk with you
And I don't want to talk with you
And I don't want to be with you
'Til the night timeGood girls have reputation
Good girls have to keep it clean
But you girl you're so damn reckless
You're a boll weevil evilly obscene[Chorus]Hey girl you know I've heard those stories
About you girl last of the pony-tail queens
China chops are a dime a dozen
So hey girl go on and shake that thing[Chorus]
