Come on, I'm Waiting

Communions

Beyond the city's peaks
I'm wearing your violet--colored shades
My pink tears disappear into nothingness
And all the numbness fadesI've got to pick my head up off the ground
And turn myself around
I've been up and I've been down
I've been lost and I've been foundCome on, come on, I'm waiting
Come on, come on, I'm waiting
Turn me into blue
Come on, come on, I'm waiting
Come on, come on, I'm waiting
You know what to do
Guide me to a place
Where its safe for waves to slowly roll
The world's a vacant wild
And it's burning up deep inside my soulI've got to pick my head up off the ground
And turn myself around
I've been up and I've been down
I've been lost and I've been foundCome on, come on, I'm waiting
Come on, come on, I'm waiting
Turn me into blue
Come on, come on, I'm waiting
Come on, come on, I'm waiting
You know what to do
Come on, come on, I'm waiting
Come on, come on, I'm waiting
Turn me into blue
Come on, come on, I'm waiting
Come on, come on, I'm waiting
You know what to do
