

Everything

Sr-71

Does it really matter what I want
Does it really matter how I feel
Aren't you gonna do what you want
Why would you ask when you can steal
You take everything that I am
You take everything from me
So this is what it feels like to be used
So this is what it feels like to be lied to
I don't think I could feel more let down
I don't think I'll ever give a damn about you
You take everything that I am
You take everything from me

You take everything that I have
Just take everything from me
You don't know what I'm capable of
I won't let you limit me
You don't care what I think
If you cut me do I not bleed
You take everything that I am
You take everything from me
You take everything that I have
Just take everything from me
