Sulk

Billy Bragg

If you hate me, why don't you go?
And if you love me, why don't you let me know?
But you just won't give me an inch, so
You just sulkWhy do i want to hide whenever you show up?
You know your moods just make me want to throw up
Why don't you just bloody well grow up?
You just sulkAll of the time,
Why don't you pick me up or throw me a line?
All over the place,
Why don't you tell me what you think?
Come on and tell me to my faceIf you love me, why don't you show it?
If you hate me, why don't you let me know it?
Why don't you just pick up something and throw it?
You just sulkIf you want to bend my arm,
Well you could do it with a little more charm,
But you just couldn't bear to do me any harm
So you just sulkAnd you tell me that you want to quit
And then you treat me like a piece of shit
And when i ask you, what's that got to do with it?
You just sulk
