

# The Promise

Anberlin

If you need a friend  
Don't look to a stranger  
You know in the end  
I'll always be there And when you're in doubt  
When you're in danger  
Take a look all around  
I'll be there I'm sorry but I'm just thinking of the right words to say  
I know they don't sound the way I planned them to be  
But if you wait around, a while, I'll make you fall for me  
I promise, I promise you I will When your day is through  
And so is your temper  
You know what to do  
I'm gonna always be there Sometimes if I shout  
It's not what's intended  
These words just come out  
With no gripe till death I'm sorry but I'm just thinking of the right words to say  
I know they don't sound the way I planned them to be  
But if you wait around, a while, I'll make you fall for me  
I promise, I promise you I'm sorry but I'm just thinking of the right words to say  
I know they don't sound the way I planned them to be  
And if I have to walk the world, I'll make you fall for me  
I promise, I promise you I will Gonna tell ya  
Gonna tell ya  
Gonna tell ya I'm sorry but I'm just thinking of the right words to say  
I know they don't sound the way I planned them to be  
But if you wait around, a while, I'll make you fall for me  
I promise, I promise you I'm sorry but I'm just thinking of the right words to say  
I know they don't sound the way I planned them to be  
But if you wait around, a while, I'll make you fall for me  
I promise, I promise you
