

# Beggar's Farm (Mono)

## Jethro Tull

You're taking chances and your reputation's going down  
Going out in the night time, you think you made no sound  
But you don't fool me 'cos I know what you feel  
If you ignore all the things I see, someday soon's gonna find you  
Way down on Beggar's Farm, way down on Beggar's Farm I pay my money for no returns  
I think I need you gonna find someone  
Oh, you don't fool me 'cos I know what you feel  
When you go [Incomprehensible] I ask you why  
I won't worry when I see you lying down on Beggar's Farm When you run to me, gonna turn away  
Won't even listen, when you try to say  
That you were only foolin' 'round 'cos I know what you feel  
But if you ask me nicely, woman, I'll wake up early, one day soon  
And I'll visit you down on Beggar's Farm
