

# Silence

## Jars Of Clay

Take, take 'til there's nothing  
Nothing to turn to  
Nothing when you get through  
Won't you break?  
Scatter pieces of all I've been  
Bowing to all I've been running to  
Where are you?  
Where are you?  
Did you leave me unbreakable?  
Did you leave me frozen?  
I've never felt so cold  
I thought you were silent  
And I thought you left me  
For the wreckage and the waste  
On an empty beach of faith, was it true?  
Yes I, I got a question  
I got a question, where are you?  
Scream, deeper I wanna scream  
I want you to hear me  
I want you to find me  
Yes I, I want to believe  
But all I pray is wrong  
And all I claim is gone  
And I, I got a question  
I got a question, where are you?  
Yeah yeah  
And well I, I got a question  
I got a question, where are you?  
Where are you?  
Where are you?  
Where are you?
