Check this out

One time, steps a man

Common sense and the unamerican caravan

The true b-boys, dem dere and we in here

Yeah, ya know, from the southside of chicago

And we don't front

Who me? I am twilite tone

Babylon dread, bumstead, and we come like dis[common]

This the start of somethin big

Methink I knows ya gonna dig it

It's time to plant the seed

Hip-hop's the tree and i'ma fig it

Figure it out, the mic, I'm rippin it like a ligament

Gimme a light a bud light, and shit'll get lit just like a cigarette

I'm a b-boy so don't test me, many rappers don't impress me

You try steppin into my city i'll, snipe em like wesley

So you best be on your way, I'm doper than marion berry, hey

Wake up everyday and make-up rhymes but I'm not mary kay

Some say I'm dope as fuck, some label my rhymes incest

My flex is kinda mean yo, so hey kid, catch

These nuggets, these nuggets, these nugget ugget uggets

With some peas and a hole in the bucket (cool, cool)

Dear liza, minelli, I jam like jelly and I got

Helly what, helly what, helly rhymes

I can remember times when for a 40 I had to beg for bucks
Nobody really gave a, so I had to beg for fucks
Now what do niggaz do when they got not food
Skibbidy skap and busta bust a rap
So I pick up the pen and then begin the thoughts to get to pumpin
Hopin like all the people let me talk, let me say somethin
Cause nothin for nothin leaves nothin, I got nuthin to lose
I put, nuttin in my notes, I'm not your host when I got nuttin to use
Dues gettin credited, now I debit my bank account
Not on a blind date, could I see me taken out
By some glutteus, glutteus, maximus, maximus
I'm spas-ta-gis-a-mister-gis a mister-gis-ta-spas-ta-gis
Spectacular, the papes I count like dracula
You can't cut the rug, because you suck, mc vacumn up
Rappers I skip on like walter payton
Their ain't no way or half-step, and flex a rhyme like a bicep
Some steps with concepts, but umm, who cares
Not even the damn people under the stairs[twilite tone]
Interruption, interruption
True b-boys runnin shit
Unamerican caravan, beatin you down
Den dere's de man who don't stop
Yo com, come back with some sense, uhh
