

# Daydream in Blue (Bashment vs. KL Dub)

## I Monster

The time is right  
I'm gonna pack my bags  
And take that journey down the road  
Cause over the mountain I see the bright sun shining  
And I want to live inside the glow  
Yeah I want to go to place where I am nothing and everything  
That exists between here and nowhere  
I want to go to a place time has consequence oh yeah  
The sky opens to my prayers I want to go to beautiful, beautiful, beautiful,  
I want to go to beautiful, beautiful, beautiful,  
I want to go to beautiful, beautiful, beautiful,  
I want to go to beautiful, beautiful, beautiful, Please understand that it not that I don't care  
But right know these wall are closing in on me  
I love you more than I love life itself But I need to find a place were I can breathe  
I can breathe  
I want to go to place were I can hold the intangible  
And let of the pain with all my might I want to go to a place where I am suspended in ecstasy  
Some where between dark and light  
Where wrong becomes right I want to go to beautiful, beautiful, beautiful,  
I want to go to beautiful, beautiful, beautiful,  
I want to go to beautiful, beautiful, beautiful,  
I want to go to beautiful, beautiful, beautiful,
