Carnival Dough

Sun Club

Set sail without no sail.
Whistle with no wind
Middle maniac
Psycho stranded
Always the halfway hell
Don't want to sink or swimYou can't stand it you can't get out of bed
You're so sad and you still got to go to school
You can't stand it you can't get out of your head
You can't get out your head
Lead with no lead
Don't mind with no mind
Middle maniac
Open waters
If I drink just like I should
Than I'll drift down and downIts always one or the other
Dissociate at night
And I seem to stutter
When I say I don't feel right
Its always one of the others
I am okay for right now
But from one to another
I pick my dreams at night
You can't stand it
You can't get out of bed
You're so sad but you still got to go to school
You can't stand it
You can't get out of your head
You can't get out of your head
