The Confrontation

Attack Attack!

So when did you decide to take over my life, to make me a slave,
And take my family away from me?
I fought for years because of you, taking so many lives to save my own
So if you have a reason, you better speak up nowIt seems you've been hiding all this time (this time)
Throwing everybody on their failure, when all you wanted was to take their livesDo you know all the suffering that I've been through?
Or all the faces that haunt me?
I'll never be able to sleep again
I lay awake in my bed, thinking about what I did to have
So if you have a reason, you better speak up nowIt seems you've been hiding all this time (this time)
Throwing everybody on their failure, when all you wanted was to take their lives
It seems you've been hiding all this time (this time)
Throwing everybody on their failure, when all you wanted was to take their livesThis is your last chance, so give me the reason to believe you
You only get one chance, so give me the reason to believe youNo,No more running away
No more running awayIt seems you've been hiding all this time (this time)
Throwing everybody on their failure, when all you wanted was to take their lives
It seems you've been hiding all this time (this time)
Throwing everybody on their failure, when all you wanted was to take their lives
