

# The Glory of Love

## Keb' Mo'

You've got to give a little, take a little  
And let your poor heart break a little  
That's the story of, that's the glory of love You've got to laugh a little, cry a little  
Before the clouds roll by just a little  
That's the story of, that's the glory of love And as long as there's the two of us  
We've got the world and all it's charms  
And when the world is through with us  
We've got each other's arms You've got to win a little, lose a little  
And always have the blues a little  
That's the story of, that's the glory of love As long as there's the two of us  
We've got the world and all it's charms  
And when the world is through with us  
We've got each other's arms Oh, you've got to win a little, lose a little  
And always have the blues just a little  
But that's the story of, that's the glory of love Oh yeah  
Now that's the story and the glory  
That's the story and that's the glory  
That's the story of and that's the glory of love
