Loud

R5

C'mon get Loud[Ross]
Been lookin' for the one tonight, but I can't see you
Cause I'm blinded by all of the lights, ooh
And I can never get it right, I need a breakthrough.
Why are you so hard to find? ooh[Rocky]
I've been searching every city never giving up,
Till I find my angel Diamond in the rough
Looking for a signal[Ross]
Baby turn it up tonight(Chorus)
C'mon get loud loud let it out,
Shout it out from the rooftops
C'mon get loud till the shut us down
C'mon get loud loud let it out
Show me everything that you've got
c'mon get loud loud I need you now
Baby let me hear it loud
Na na na na na naa (x3)[Ross]
Been lookin for the light to shine
to start a fire
And girl I'll be the first in line ooh.
And baby when it starts to light
We can't get no higher
Yeah just give me a sign(Chorus)[Ross]
Been lookin for the one toniight(Chorus)[Ross]
Been lookin for the one
Tonight
