# Shady Day

## Sense Field

will you be my sun
come out
come out for me today
be my sunwill you be my sun
or light
light up for me today
be my sun and rise with me today
and cross the sky with me today
light this place for mecause I won't hide, in a
shady day
shady day
crazy day
crazy daylight this place for me today sun
don't tell me the day is done
I won't hide in my
light this place for me nowI won't lock you in my head
I won't hide in the shadeshady day
shady day
crazy day
crazy dayyou burn melight this place for me today sun
don't tell me the day is done
go out at night
light this place for me, I
I won't lock you in my head
I won't hide in a
shady day
crazy day
crazy day
crazy daywhy do you hide at night
why do you hide at night
why do you hide at night
