

Time to Let Me Go

Gloriana

Every time i had a problem
Didnt know what i should do
Singing ohhh oh i would run to you

You were there to guide me
Always there to pull me through
Singing ohhh oh i would run to you
Run to you

But im
Tired of walking in your shadow
So by this time tomorrow
I'll be on a plane singing

I never meant to hurt you
You know how much i love you
I know you love me so
But its time to let me go...

I gotta learn to be myself
Wont happen if i stay
Singing ohhh oh gotta get away

We could talk it over
But theres nothing left to say
Singing ohhh oh gotta get away
Get away

But im
Tired of walking in your shadow
So by this time tomorrow
I'll be on a plane singing

I never meant to hurt you
You know how much i love you
I know you love me so
But its time to let me go...

Tired of walking in your shadow
So by this time tomorrow

I'll be on a plane singing

I never meant to hurt you
You know how much i love you

I know you love me so
But its time to let me go

Time to let me go

Time to let me go....
