Slippin' and Slidin'

Little Richard

Slippin' and a-slidin'
Peepin' and a-hidin'
Been told a long time ago.
Slippin' and a-slidin'
Peepin' and a-hidin'
Been told a long time ago.
I've been told
Baby you've been bold
I won't be your fool no more.Oh big conniver
Nothin' but a jiver
Done got hip to your jive.
Oh big conniver
Nothin' but a jiver
Done got hip to your jive.
Slippin' and a-slidin'
Peepin' and a-hidin'
Won't be your fool no more.Oh Malinda
She's a solid sender
You know you better surrender
Oh Malinda
She's a solid sender
You know you better surrender
Slippin' and slidin'
Peepin' and hidin'
Won't be your fool no more.Slippin' and a-slidin'
Peepin' and a-hidin'
Been told a long time ago.
Slippin' and a-slidin'
Peepin' and a-hidin'
Been told a long time ago.
I've been told
Baby you've been bold
I won't be your fool no more.
