For You I'll Die

Marion Raven

You said, I'm yours to keep with your voice so deep
But you were just talking in your sleep
I'll do just what you crave, my life for you I'll waive
All I get is a spot next to your graveAnd you're a fool to not see
I'm not hanging here to keep you companyBut what am I supposed to do when all hope is gone?
How am I supposed to leave you when you're the only one?
Made a deal with Mr. Hades, my soul he wants to buy
For you I'd dieOh, this is the end, my only friend, the end
Are words from our favorite band
I know we're not astray and my love won't decay
Are thing that you'll never sayIt is strange how time flies
It's been a year that's gone by
And you don't know the color of my eyesBut what am I supposed to do when all hope is gone?
How am I supposed to leave you when you're the only one?
Made a deal with Mr. Hades, my soul he wants to buy
For you I'd die, for you I'd dieNo, no, noAnd you're a fool to not see
I'm not hanging here to keep you companyIt is strange how time flies
It's been a year that's gone by
And you don't know the color of my eyesBut what am I supposed to do when all hope is gone?
How am I supposed to leave you when you're the only one?
Made a deal with Mr. Hades, my soul he wants to buy
For you I'd die, for you I'd die, for you I'd die, for you I'd die
