

# The Best Day

## Taylor Swift

I'm five years old, it's getting cold, I've got my big coat on  
I hear your laugh and look up smiling at you, I run and run

Past the pumpkin patch and the tractor rides, look now, the sky is goldI hug your legs and fall asleep on the way homeI don't know why all the trees change in the fall

I know you're not scared of anything at all  
Don't know if Snow White's house is near or far away

But I know I had the best day with you todayI'm thirteen now and don't know how my friends could be so mean  
I come home crying and you hold me tight and grab the keys

And we drive and drive until we found a town far enough away

And we talk and window shop to I forgot all their namesI don't know who I'm gonna talk to now at school  
But I know I'm laughing on the car ride home with you

Don't know how long it's gonna take to feel okay

But I know I had the best day with you todayI have an excellent father, his strength is making me stronger  
God smiles on my little brother, inside and out, he's better than I am

I grew up in a pretty house and I had space to run

And I had the best days with youThere is a video I found from back when I was three

You set up a paint set in the kitchen and you're talking to me  
It's the age of princesses and pirate ships and the seven dwarfs

And Daddy's smart and you're the prettiest lady in the whole wide worldNow I know why all the trees change  
in the fall

I know you were on my side even when I was wrong

And I love you for giving me your eyes  
For staying back and watching me shine

And I didn't know if you knew, so I'm taking this chance to say  
That I had the best day with you today
