Shine

Strapping Young Lad

I wonder why
Need you to try
And on the way,
...reeling...
...feeling...
BURN!I've seen your shine
It seems divine!
But by the way...
...you're clouded...
I'm clouded???AAAAAAAAA!!!!!!!!Don't tell me shit
Don't you tell me fucking shitBoring, you're boring boring you're
Boring, you're boring, you're boring,
You're boring, you're boring me into myself!Shine on, shine on, shine onI wonder why
Need you to try
But by the way
You're clouded...
We're all clouded boy!!!
