On My Own

J-Hype

With every day, with every minute
I only think of you
With every move, with every morning
All the things we used to do
I lost my pride, I lost my world
I lost my mind, I lost my girl
So baby tell me, can we ever get it back, whoaI don't wanna live if you ain't here
Can't make it on my own
If I'm the lock then you're the key
Can't make it on my own
There's no I in team know that I can't do this alone
Cause you complete me
Girl I can't make it on my own
You complete me, I can't make it on my ownI miss your smile, I miss your kisses
I miss you in my arms, yeah, yeah
I miss your love so let's pretend we never broak up, whoa
I lost my pride, I lost my world
I lost my mind, I lost my girl
So baby tell me, can we ever get it back, whoa
I don't wanna live if you ain't here
Can't make it on my own
If I'm the lock then you're the key
Can't make it on my own
There's no I in team know that I can't do this alone
Cause you complete me
Girl I can't make it on my own
You complete me, I can't make it on my own
Said you complete me
Know I can't make it on my won, whoa
