

# Safe In New York City

## Ac/dc

Come on baby give me your hand  
Check out the high spots, the lay of the land  
Need a little lovin' in a big limousine (?)  
Oooh, come on over baby and I'll make you obscene

I feel safe in New York City  
I feel safe in New York City  
I feel safe in New York City  
I feel safe in New York City

All over the city and all of the dives  
Don't mess with this place, it'll eat you alive  
Got a lip smackin' honey to suck off the jam  
I'm on top of the world ma, ready to slam

I feel safe in New York City  
I feel safe in New York City

[Runnin' | Movin'] all over like a jumpin' bean  
Take a look at that thing in the tight assed jeans  
Comin' your way, now, you might be in luck  
Don't you fret boy, she's ready to buck

I feel safe in New York City  
I feel safe in New York City

Ready to make it ??

New York

New York

New York  
I feel safe in a cage in New York City
