

Give It All Back

The Pierces

You can't fight to make it better
You can't cry and hope that this won't end
Some say love, it is forever
But all I know is that we're just friends So I'll give it all back
I'll give it all back to you
I'll give it all back
I'll give it all back to you Yeah Now you know me like no other
And you know when I'm telling lies
So you believe if you wanna
But you know I, I wanna say goodbye So I'll give it all back
I'll give it all back to you
I'll give it all back
I'll give it all back to you You can't fight to make it better
You can't cry and hope that this won't end
Some say love, it is forever
But all I know is that we're just friends So I'll give it all back
I'll give it all back to you
I'll give it all back
I'll give it all back to you Yeah So, I'll give it all back, I'll give it all back
