

Haunted

Poe

Come here, pretty please
Can you tell me where I am?
You, won't you say something?
I need to get my bearings
I'm lost and the shadows keep on changing And I'm haunted
By the lives that I have loved
And actions I have hated I'm haunted
By the lives that wove the web
Inside my haunted head Don't cry, there's always a way
Here in November
In this house of leaves we'll pray Please, I know it's hard to believe
To see a perfect forest
Through so many splintered trees
You and me and these shadows keep on changing And I'm haunted
By the lives that I have loved
And actions I have hated I'm haunted
By the promises I've made
And others I have broken I'm haunted
By the lives that wove the web
Inside my haunted head Hallways, always
I'll always want you
I'll always need you
I'll always love you
And I will always miss you Come here, no, I won't say please
One more look at the ghost
Before I'm gonna make it leave Come here, I've got the pieces here
Time to gather up the splinters
Build a casket for my tears I'm haunted
(By the lives that I have loved)
I'm haun, I'm haunted By the hallways in this tiny room
The echoes there of me and you
The voices that are carrying this tune
