

# No Answers Only Questions

## Alan Parsons Project, The Alan Parsons Project

Some of us laugh,  
Some of us cry,  
Some of us lay back - watch the world go by.  
Some of us fear,  
Some of us hate,

Some of us won't wake up 'till it's too late!The distance between us is a mystery to us all,  
The difference between us is so small!There are no answers, only questions

And we're all strangers to the truth

But in my mind's eye

I have found the reason why

And I carry the burden of the proof.Why do we fight?

Why do we fall?

Why do we stand there - backs against the wall?

Why don't we change?

Why don't we try?

Why don't we turn 'round, help the other guy?The distance between us is a mystery to us all,  
The difference between us is so smallThere are no answers, only questions

And we're all strangers to the truth

But in my mind's eye

I have found the reason why

And I carry the burden of the proof

And I carry the burden of the proof.
