Stand Up and Be Counted (1997 Remastered Version)

Saxon

Down, down at the bottom
Ya gotta try to get yourselves up
Ya got nothing to lose when your there
There at the bottomYa gotta stand up
Stand up for your rights
We can make it
You can break itStand up
Stand up be counted
Out, out in the spotlight
Ya gotta leave, leave your worries behindYa got nothing to lose when your there
You be forgotten
Well ..
... in hellWe can make it
You can break it
Stand up
Stand up be countedWe can make it
We can break it
Stand up
Stand up be countedDown, down at the bottom
Ya gotta leave all your worries behind
Ya got nothing to lose when you're there
There at the bottomYa gotta stand up
Stand up for your rights
We can make it
You can break itStand up
Stand up be counted
Stand up, stand up!
