

We Are the Vegetables

INXS

Well I've got this feeling in the back of my head
I feel like making someone's face turn red
Learning bike's and ditto vices
Try to look bored and your going placesWe are the vegetables
We are the vegetables
We are the vegetables
We are the vegetablesSome music is playing by metal gazers
It's gone through the stage where everyone makes it
Do you think that we're not good
All I really know is I think you shouldWe are the vegetables
We are the vegetables
We are the vegetables
We are the vegetablesWell I've got this feeling in the back of my head
I feel like making someone's face turn red
Learning bikes and ditto vices
Try to look bored and your going placesWe are the vegetables
We are the vegetables
We are the vegetables
We are the
We are the
We are the vegetables
