

Miracle (feat. Shyne)

Matisyahu

Just livin' the miracle, candles are my vehicle
Eight nights, gonna shine invincible
No longer be divisible, born to the struggle
Keep on moving through all this hustle
Head up, head down through all the bustle
New York City wanna flex your muscle
You look so down, look so puzzled
Huddle 'round your fire through all the rubble
Bound to stumble and fall but my strength comes not from man at
all
Bound to stumble and fall but my strength comes not from man at all
Do you believe in miracles
And am I hearin' you
Said am I seein' you
Said eight nights and eight lights
End these fights, keep me right
And bless me to the highest heights with your miracles
Against all odds, trod on till tomorrow
Wipe away your tears and your sorrow
Sunrise in the sky like an arrow
No need to worry, no need to cry.
Light up your mind no longer be blind
Him who searches he'll find
Leave your problems behind
We will shine like a fire in the sky
What's the reason we're alive (Reason we're alive)
Bound to stumble and fall but my strength comes not from
man at all
Bound to stumble and fall but my strength comes not from man at all
Do you believe in miracles
And Am I hearin' you
Said am I seein' you
Said eight nights and eight lights
End these fights, keep me right
And bless me to the highest heights with your miracles
Eight is the number of infinity one more than what you
know how to be
And this is the light of festivity when your broken heart yearns to be free
Do you believe in miracles
And am I hearin' you
Said am I seein' you
Said eight nights and eight lights
End these fights, keep me right
And bless me to the highest heights with your miracles
Do you believe in miracles
And am I hearin' you
Said am I seein' you

Said eight nights and eight lights
End these fights, keep me right
And bless me to the highest heights with your miracles
Miracle, miracle, miracle
