# Rome

## For The Foxes

Who's the boy you like the most?
Is he teasing you with underage?
Could he be waving from a tropical sunset?
Static silhouette somehow
Single in this bed someday
Quiet till it fall, fall, falls!
Rome, Rome, Rome, Rome
Focus looking forward the Colosseum
Oh no, what did I say? What can I say?
Rome, Rome, many tears have fallen here
I'll be driving, you look the other way
That ain't easy to ignore
When shutters open all the way
When it's candlelight I see I go insane
Distant silhouette somehow
We shared a cigarette somewhere
Addict till it fall, fall, falls!
Rome, Rome, Rome, Rome
Focus looking forward the Colosseum
Oh no, what did I say? What can I say?
Rome, Rome, many tears have fallen here
I'll be driving, you look the other way
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
Always and forevermore
I call to say I'm on the way
2000 years remain in a trash can
Let burn the cigarette somewhere
Ashes till it fall, fall, falls!
I stand outside under broken leaves
I know I can't do without, the future's trying to wait
I've never loved you and if I loved you
I wouldn't say that I'm sorry, oh no
I stand outside under broken leaves

Always and forevermore
We're together dead and lonely
I thought I couldn't do this without you
Single in this bed somewhere
Ashes till it fall, fall, falls!
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
?
