

Sirens

Antighost

Iâ€™ve had enough
She left marks on my spine
Begging me to come inside
Sheâ€™s calling me
Calling me
Calling me all the time

Iâ€™m breathing her scent again
This time I am innocent
But I choose in ignorance
The sin, the sin, the sin

Oh why what do you want from me?
What can I say?
Cut the head off the snake

It happened again
Crawling on the ocean floor
Beneath a concrete shore
And Jesus wept
A good headstart
On a dead-end road
â€œWhen do they live?â€• thatâ€™s what he wants to know

Oh why what do you want from me?
What can I say?
Cut the head off the snake

What do you want from me?
(What do you want from me!)
What do you want from me?
(What do you want from me!)
What do you want from me?
(What do you want from me!)
