

Outside (Shane 54's Pink Flood Remix)

George Michael

Back to nature, just human nature
Getting on back to
I think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, baby Let's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the moonshine
Take me to the places that I love best So my angel she says, don't you worry
about the things they're saying, yeah
Got no friends in high places
And the game that you gave away
Wasn't worth playing Let's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the meantime
Take me to the places that I love best And yes I've been bad
Doctor won't you do with me what you can
You see I think about it all the time
Twenty four seven You say you want it, you got it
I never really said it before
There's nothing here but flesh and bone
There's nothing more nothing more
There's nothing more Back to nature, just human nature
Getting on back to I think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, baby Let's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the moonshine
Take me to the places that I love best And yes I've been bad
Doctor won't you do with me what you can
You see I think about it all the time
I'd service the community
(But I already have you see!)
I never really said it before There's nothing here but flesh and bone

There's nothing more, nothing more
There's nothing more
Let's go outside
Dancing on the d-train baby When the moon is high
And the grass is jumpin'
Come on, just keep on funkkin'
Keep on funkkin', just keep on funkkin'
