Universal Dream

Paradise Lost

We spend a lifetime
In death we trade
Until it's over
Manipulate the ones who stayGuarded and secret
Stalking a world in which I'm new
Sorely deceitful
In all that is so abusedFor the universal dream, born to understand
For the universal need, born to understand
Repenting lifestyles
In death we train
Until it's over
Eliminate the ones who stayGuarded and secret
Another world in which I grew
Sorely deceitful
In all that is so abusedFor the universal dream, born to understand
For the universal need, born to understandManipulate the ones who say
Save me
Manipulate the ones who stay
Incriminate me
Guarded and secret
Stuck in a world in which I'm new
Sorely deceitful
In all that is so abused
