

# Praying on the Old Camp Ground

Mississippi John Hurt

There is preaching tonight, preaching tonight  
Preaching on the old camp grounds  
There is preaching tonight, preaching tonight  
Preaching on the old camp grounds There is singing tonight, singing tonight  
Singing on the old camp grounds  
There is singing tonight, singing tonight  
There is singing on the old camp grounds There is moaning tonight, moaning tonight  
Moaning on the old camp grounds  
There is moaning tonight, moaning tonight  
There is moaning on the old camp grounds There is preaching tonight, preaching tonight  
Preaching on the old camp grounds  
There is preaching tonight, preaching tonight  
Preaching on the old camp grounds
