

Davidian

Grum Lee

Let freedom ring with the shotgun blast
Blind man ask me forgiveness
I won't deny myself
Disrespect, he has given
His suffering's my wealth
I feed off pain, force fed to love it
And now I swallow whole
I'll never live in the past
Let freedom ring with the shotgun blast
Burn my fist to the concrete
Their fear is my strength
Power, rage unbound [Incomprehensible]
Been pounded by the streets
Cyanide blood burns down the skyline
Hatred is purity
Let freedom ring with the shotgun blast
Scarred, scarred
Pour the salt in the wound
Scarred, pour the salt in the wound
Scarred, pour the salt in the wound
Scarred, pour the salt in the wound
