Get Up Edina

Desmond Dekker

Get up Edina
Get up Edina, a let me tell you now
Get up Edina
Get up Edina, girl
I said to get up Edina
I said to get up Edina, girlI send you a school, you won't learn
I send you a church, you won't hear
I'm gonna send you back to your mama's house
I'm gonna send you back to your papa's house
I'm gonna send you back where you come fromI said to go home, go home, Edina
I said to get up Edina, girl
Because you wait up, Edina, girl
I said to get up Edina
Because you wait up, Edina, girl
I said to come out, Edina
Because you wait up, Edina, girlGet up Edina
Get up Edina, girl
I said to come out, Edina
Because you wait up, Edina, girlI send you a school, you won't learn
I send you a church, you won't hear
I'm gonna send you back to your mama's house
I'm gonna send you back to your papa's house
Uncle, come take her away
I don't want to see her no moreI said to get out, Edina
Get out, Edina, girl
I am a sending you back to your mama's house
I am a sending you back to your papa's house
Because you wait up, Edina girl
I say you down a di gully
