No I in Threesome

Interpol

Through the storms and the light
Baby, you stood by my side, and life is wine
But there are days in this life
When you see the teeth marks of time, two lovers divideSound meets sound, babe, the echoes they surround
And all that we need is one thing, now what is there to allow?Babe, it's time we give something new a try
Oh, alone we may fight, so just let us be freeAnd baby, tonight
I see your lips are on fire and life is wine
Now the windows are open, the moon is so bright
Cause no one can tell us what love brings for you and ISound meets sound, babe, the echoes they surround
And all that we need is one thing, now what is there to allow?Babe, it's time we give something new a try
Oh, alone we may fight, so just let us be free tonightThrough the storms and the light
Baby, you stood by my side and life is wine
You feel the sweet breath of time
It's whispering, its truth, not mine, there's no I in threesomeAnd I am all for it
Babe, it's time we give something new a try
Oh, alone we may fight
And feathers bend like trees in the moonlightBabe, it's time we give something new a try
Oh, alone we may fight, so just let us be free tonight
